Subject: SERAs funding increase for Dimock

Jackie,

Please add \$100K to ERT for additional work at Dimock. We estimate \$75K more for SERAs (Data Management) and \$10K for Tetra Tech (GIS) and \$15K Contingency.

Thanks.

Rich

(Den, I assume this is ok...if not...let me know. We expect this funding to take us to the end of May)
